

## **The Marcham Society**

### **Covid Prevention for Marcham Society Members**

Please could members bear in mind the following protocols at Marcham Society meetings:

- 1) the main hall at the Marcham Centre will be open at 19.15 - please sanitise your hands on arrival; hand sanitizers will also be available in other areas of the room.
- 2) please ensure to register your name at the registration desk.
- 3) members are encouraged to carry out a Lateral Flow Test.
- 4) the wearing of a face covering is optional.
- 5) please respect other people's space in the Centre by being socially distanced where possible and not moving chairs closer together unless you are in their 'bubble'.
- 6) with regard to ventilation in the room, the dormer windows will be kept open at a minimum during meetings.
- 7) N.B. Please do not attend a meeting if you or anyone in your household has:
  - experienced Covid symptoms in the last 5 days:
  - or if you are running a temperature:
  - or if you are feeling unwell in any way.
